Minutes

The meeting was called to order at 7:05PM

DISCUSSION: follow-up of our minutes of April 12, 2018 and May 10, 2018 from the CVRD Parks and trails staff meeting of May 22, 2018. :

From the minutes of April 12, 2018

- Would like a current list of trails [in Area A]. –

ACTION: Chair will contact Graham Gidden

- Historical Society & reception for Deloume family. • Dan Brown and Brian Farquhar will look into it.

From the minutes of May 10, 2018

- Investigation of the end of Goulet Road for trail development. This is in the Area A Parks & Trails Master Plan. Would constitute construction of a large staircase. Class D Assessment would be required. • Dan Brown

Director Davis reminded us that there would probably have to be a request to MoTI

ACTION: Director Davis will follow up with this with a possible walk about in the summer.

New business: Lashburn Road – Brentwood College – originally there was a licence of Occupation request by the college but MoTI suggest an outright purchase and to put up a gate. The CVRD have sent a letter to object wanting a statutory right of way as park for pedestrians.

Will be in Director Davis' Monday newsletter.

KUDOS from Area A Parks Commission:

- for the superb job of new trail completing the Pratt Road to Deloume Road.
- for the excellent work of rebuilding the stairs to the Mill Bay Wharf.

Motion to adjourn at 7:45PM

Next meeting September 13, 2018.

NB: The meetings have been confirmed by the Chair with Julie Kadar at Brentwood College for the second Thursday of each month until the end of December 2018.
