Message From The Chair

The Cowichan Valley Regional District spans from Nanaimo Airport in the north to the Malahat in the south, and from the west coast of Vancouver Island to Valdes Island in the east.

It comprises 9 Electoral Areas and 4 Municipalities, with elected representatives from these 13 jurisdictions convening at the CVRD Board. Together with CVRD staff, they oversee 178 local and regional services for over 89,000 residents.

Despite facing financial challenges such as inflation, high interest rates, and the ongoing housing crisis in 2023, the Board prioritized community well-being in budget decisions in 2024. Efforts were made to minimize the budget while upholding service commitments and maintaining vital infrastructure. However, this year, factors like population growth, maintaining service levels, a regional recreation funding mandate, and increased contributions to provincial budgets led to higher budget increases.

The Board acknowledges its duty to advocate for supportive policies and resources from senior governments to bolster community resilience amid current crises. Together, the community will address challenges and uphold standards for quality of life, environmental protection, and economic prosperity. Please reach out to us.

Sincerely,

Kate Segall, Chair of the CVRD Board of Directors

Tim McGonigle, Vice-Chair of the CVRD Board of Directors
