COWICHAN VALLEY REGIONAL DISTRICT Parks & Trails Guide 灣CVRD

Welcome!

The CVRD manages community parks within each of the nine Electoral Areas as well as regional parks located throughout the region including the Cowichan Valley Trail, part of the Trans Canada Trail. Each of the four member municipalities also provide local parks and trails. Park visitors are reminded to take responsibility for their own safety when out on an adventure by being prepared.

The CVRD Parks & Trails Guide highlights parks and trails across the region and provides a map with information for the majority of parks the CVRD manages. If planning an event, booking a picnic shelter, or for further information on CVRD parks, please visit the CVRD website.
