

Community Clean-up Funds

Community Clean-up Funds are available for not-for-profit societies, charities or school districts to support specific waste cleanup events. Funds will vary (up to \$500) depending on the project's scope and measurable waste reduction. These funds can be used to cover expenses for supplies used during the project such as gloves, garbage retrieval tongs, garbage bags, hand sanitizer, beverages, snacks, etc. Recipients of a Community Clean-up Sponsorship are asked to submit a brief summary report following the event, with before and after photos of the site, photocopies of expense receipts, and any examples of generated media coverage.

To apply for CVRD Community Clean-up Funds in support of your Community Clean-up project, please complete the following form and submit to:

Operations Department
Recycling & Waste Management Division
Cowichan Valley Regional District
175 Ingram Street
Duncan BC V9L 1N8
Phone: 250-746-2540 Email: RWM@cvrd.bc.ca

Applications will be responded to within 30 days.
