## CVT Waters Road Bridge Replacement

### Cowichan Valley Trail (CVT) Closure

#### LEGEND

- Cowichan Valley Trail (CVT)
- X CVT access closed
- - - CVT no through access
- CVT trailhead access points

The CVRD is proceeding with the replacement of a bridge that has reached the end of its lifespan on the Cowichan Valley Trail (CVT) near Waters Road in Glenora (Electoral Area E).

Construction is currently expected to begin August 10, 2024 and will continue to late September, 2024. The work will see the removal of the existing bridge and the installation of a new clear span bridge approximately 15m in length. During this time, the link between Waters Road and Hawthorne Road Trailhead will be restricted/impassable due to bridge construction.

For safety reasons, the public is asked to stay outside of the active construction areas until the project is complete. Please respect construction areas, posted signs, and fencing.

Please contact the Parks & Trails Division for more information:
