

# ACCESSIBILITY COMMENT CARD

## Accessibility Advisory Committee

The Cowichan Valley Regional District (CVRD) Accessibility Advisory Committee (AAC) is made up of CVRD Directors and community members in the Cowichan Region.

The AAC would like to hear any concerns about accessibility issues in or on CVRD property. Suggestions could be on topics such as safety, accessibility, sidewalks, playgrounds, signage, facilities, and the CVRD website.

## Accessibility Considerations

Although the AAC appreciates hearing any and all suggestions on accessibility improvements, there may be limits to the upgrades that the CVRD is able to implement based on logistics, staffing or budget resources. The CVRD will carefully consider all suggestions.

## Want to provide input?
