

Trestle is transforming

THE COWICHAN VALLEY CITIZEN
AUGUST 27, 2010

Work has begun on the historic Kinsol Trestle, so why not make a trip to site to see the progress? You must access the trestle from the north entrance. To get there:

- From the Trans-Canada Highway, turn West on Koksilah Road
- Then turn left on Riverside Road and follow this for approximately 10km
- The road turns into gravel and ends at the parking lot on the left
- The main trail to the trestle is blocked off so take the path through the woods to get there.

It's an awesome sight!

When complete it will include landscaping improvements on both ends of the Trestle, a walkway down into the Koksilah River canyon to view the trestle from below, and an information kiosk that will display the proud story of the Trestle as well as the contributions of the donors who have made the project a reality.
