Due to decreased flooding risks, an Evacuation Alert issued by the Cowichan Valley Regional District at the Regional Emergency Operations Centre (REOC) has been lifted.

The cancellation impacts the following areas that were previously under an Evacuation Alert:

Tzouhalem Road (south), North Cowichan
Samuel Road, Cowichan Bay
Westcan Terminal Road, Cowichan Bay
Lochmanetz Road, Cowichan Bay

CVRD REOC staff will continue to monitor flooding conditions across the Cowichan region. Any updates will be published on the CVRD website and social media channels.

A handwritten signature in blue ink, appearing to read "Aaron Stone", is written over the text of the signature block.
