Cowichan Bay's Upper/Lower Village Connector Trail Under Review for Opening

COWICHAN BAY, BC – The CVRD Board has approved engagement of a Qualified Environmental Professional (QEP) consultant to undertake monitoring and develop protocols for opening the newly constructed stairs and trail in EA-D Cowichan Bay's Wessex Ravine Park, in consideration of the adjacent Pacific Great Blue Heron nesting colony. The QEP will also develop a long-term management plan for the stairs/trail.

The CVRD thanks the community for their patience and cooperation, and asks that people respect the fencing and stay out of this sensitive area at this time.
