

## Shape the Future of Transit in your Community

BC Transit, the Cowichan Valley Regional District, and the Regional District of Nanaimo have identified a need for transit service between the two regions.

In order to implement a new route, we need your feedback to:

- ▶ Confirm the need for an interregional route
- ▶ Determine the origin and final destinations and trip times of the proposed route
- ▶ Collect feedback on fares

To provide your feedback and to access our online survey, visit **[engage.bctransit.com/cvrd-rdn](https://engage.bctransit.com/cvrd-rdn)** or by scanning the QR code.
