

Curbside Collection Inclement Weather Policy

What to Do When Extreme Weather Impacts Your Pickup

Service May Be Disrupted!

Extreme weather (snow, ice, flooding, etc.) can impede or cancel regularly scheduled collection.

Stay Informed!

Your Options for Missed Collection

Option 1: Wait for Next Collection Day

Store the material until your next collection day.

Recyclables: place extra recyclables in clearly marked containers (laundry hampers, cardboard boxes, garbage cans). "No plastic bags!"

Garbage: place extra garbage in a clearly marked, sturdy container beside your tote. "Do not place bags of garbage on the ground!"

Organics: place extra organics in a clearly marked, sturdy container beside your tote.

Glass: place extra glass in a sturdy container or laundry hamper. "No cardboard boxes!"

IMPORTANT WEIGHT LIMIT: Containers with extra material must weigh less than 20kg (44lbs) each as they will need to be manually lifted by the curbside drivers.

Option 2: Take Extra Material to a CVRD Recycling Centre.

Call the Recycling Hotline
for this option.
