Shawnigan Village Water System

Monday, April 20 - Friday, April 24, 2026

Shawnigan Village Water System

Residents may experience some air in the lines and discolouration of the water supply during these operations. Should this occur, running a cold water tap for a short period will help to restore the water quality to normal.

Should the problem persist, please call the CVRD's Utilities Division at 250.746.2530.
